

New Text Publications: Comments from the Academic Community

"The report updates are useful and helpful in making a one stop process to see new texts on the market. The website is well organized and very simple to use." Michael A.E. Bayliss, **San Diego State University**

"The New Text Listings Report and Web Site is very, very helpful. How good can this be?"
Audra Woodson, **University of South Carolina**

"I may link this site from our internal electronic office for myself and professors to access more easily."
Carol Duhigg, **Ohio State University**

"The website is very clear, I will send it to my faculty in the spring for Fall 2007 requests"
Ciel Bailey, **Arizona State University**

"I was just given this information and I wish that I would have had it sooner . . . I could have referred (it) on to the professors. The site is very informative. Thank you." Jennifer Carter, **Texas A&M University**

"Personally, I think you provide a wonderful service, quick and easy access to information on textbooks, publisher companies, etc. Thank You!" Debbie Nelson, **University of Delaware**

"I use as a reference for textbook orders" Soula O'Bannon-Bennis, **Louisiana State University**

"I think it is quite useful. I have ordered numerous exam copies based on your list. I do not know if the faculty would use the website on their own – they do respond to the lists I put in their mailboxes."
Francesca Fairbrother, **Cal Poly San Luis Obispo**

"The website looks great. We will try it out" Laurie Alburn, **Colorado State University**

"Receiving this report helps in looking for something to replace textbooks that are old editions or out of print. Great service." Lupe Munoz, **University of Houston**

"This will be most useful" Mark Ormsby, **Brigham Young University**

"Very easy, concise, useful" Christina Leone, **George Mason University**

"I like the fact that there is such a report so now my faculty can get more information. Thank you!"
Pam Beckman, **Colorado School of Mines**

"This is a nice report. The professors would probably find it very useful, especially the young ones."
Annette Wolak, **Marquette University**

"The site is easy to navigate and has a lot of pertinent information available at one location. This is very convenient and a time saver" Bonnie Sellers, **Louisiana Tech**

"I printed out the book list and posted it for the faculty" Sharon Frazier, **Penn State University**

"Fantastic! Wish we had it at the community college where I am on the faculty"
Elaina Stearns, **Florida Institute of Technology**

"I think that your service is very good. It has a lot of useful information that I pass along."
Susan Hobbs, **Texas Tech University**
